

New Square Shopping Centre Art Competition

New Square is creating a new Kindness Bench which will take its place at the shopping centre in time for Mental Health Awareness Week 15-25 May 2023.

Show us your amazing artworks inspired by the theme of kindness. Anything can be used from pen and paint to collage. Do whatever you want and the more imaginative the better! We'll pick as many as we can and our artist will interpret them within the design for the new bench. The creators of our favourite three artworks will receive a £50 gift card to spend in their favourite New Square store.
